

GUIDED VISIT

The UCI World Cycling Centre (WCC) opens its doors.

You will discover the infrastructures of the training centre and the activities of one of the largest Olympic International Federations in the world. And you will perhaps have the chance to attend the training of riders who are at a (very) high standard!

- ITINERARY OF THE VISIT**
- ▶ The velodrome on which Mathias Brändle broke the UCI hour record on 30th October 2014
 - ▶ The BMX Supercross track on which the athletes prepared for the Rio Games 2016
 - ▶ The screening of a film on the origins, the construction and the philosophy of the WCC
 - ▶ An exhibition presenting bikes from the different disciplines of cycling
 - ▶ An exhibition of large formatted photos displaying the theme of cycling
 - ▶ A Hall of Fame including the great champions in the history of our sport
 - ▶ A large number of information and anecdotes about the WCC and UCI
